I, _____ understand that getting involved with the ASP ministry is a full time commitment and needs to be taken very seriously. I agree to commit for a minimum of one year participating with fundraisers and meetings unless prior notice has been given to and approved by NUMC's ASP Leader. Fundraisers, meetings and Bible Studies are a method of team building and information sharing between team members.

Being a participant of ASP will require me to have a God centered, servant's heart. I understand this ministry takes a lot of work and as a participant I will need to be available to help set-up, clean-up, and attend fundraising events and training sessions. Fundraisers throughout the year are a big part of the ASP experience as they help us get to know each other better working side by side and raising the necessary funds to help pay for expenses related to the ASP trip. Training sessions are also necessary to help teach youth how to use any power tools which may be used during the ASP trip.

As a participant of ASP I must come ready to help whenever possible and attend as many meetings as possible. I agree to pay a total cost of \$ 225 which consists of a deposit of \$100 (due by Nov 1 balance of \$125 if paid in full by December 31. If NOT paid in full by 12/31 an additional \$50 late fee payment will be due for a total cost of \$275.
